39th Treasure Hunters Meeting – Osburg/Reinsfeld

German Treasure Hunting Championships 2019

Note: Please follow these signs

Picture of the coin shows one of three gold coins that can be found and kept!

For 39 years, the Treasure Hunters' meeting Stüssel near Osburg has been held with the German Treasure Hunter Championship and has become a yearly highlight of the explorer and treasure hunter scene in Germany, and with growing international participation.

Last year we were able to offer a varied programme:

From the German Treasure Hunting Championship (DSM) to lectures by some of the speakers and our popular „Treasure Hunting Tombola“, there's something for everyone. MINELAB will also be represented at the next treasure hunter meeting in Osburg/Reinsfeld 2019 with the motto „Go Minelabbing“. Win the new EQUINOX 800 at the big LOTTERY with many other valuable prizes or at the Rally for the German Treasure Hunting Championship 2019.

We will see you on 24.05.2019, when it's over:

From friends for friends

Many greetings

Uli, Martin and the organisation team
